IDEAS FOR ECONOMIC DEVELOPMENT

- Identify manufacturing sites and needed infrastructure.
- Establish a local vocational training program and apprenticeship opportunities.
- Expand EMS Trainings to recruit and retain more EMS.
- Improve access to healthcare with local doctors, dentists, and eye care provider incentives and/or mobile health clinics.
- Increase transportation options to medical services across the county.
- Reopen Maternity Ward.
- Revitalize retail through a Main Street program, façade improvements, and a start-up support initiatives.
- Promote retail collaboration through co-op models.
- Develop a Farmers Market or Market Village in Galetton.
