IDEAS FOR ECONOMIC DEVELOPMENT

- Attract breakfast spot, coffee shop, gas station, pharmacy, and fresh produce stand.
- Establish a trade school and/or training/apprenticeship.
- Recruit private providers and investment in childcare training.
- Create a YMCA or multi-use community center.
- Develop affordable housing options.
- Strengthen healthcare services.
- Improve transportation access to medical and essential appointments.
- Launch a targeted recruitment and retention strategy for emergency personnel.
- Establish a dedicated economic development entity for focused local business support and investment.
